Dear My Beloved Guests,

Welcome to my humble home!

It is my greatest pleasure to have you as my guest today.

During my journey around the globe, I have encountered countless wonders, made dear friends along the way and discovered many things in the pursuit of the best concoction of food and drinks.

Finally, my journey took me to this grand city, and I am proud to call it my home ever since. Now, I cannot wait to showcase every delightful recipe that I have discovered throughout my travels to you.

Again, welcome. See it for yourself.
Live the taste. Tell the world you were here.

With Love,

fox
